

Internship VŠO and UPJPJII Summer School “ New communication of culture – challenge for the tourist market in the Visegrad group – examples from Prague and Cracow” 2021

Start: Duration: 2-10 months (start at least last week in September must cover October)

VŠO forms part of the University the College of Business in Prague, a modern university in the heart of Czech republic. „We are one of the biggest and oldest private higher education institution of the non- university type in the Czech Republic. We believe, we are the right choice for the students who would like to acquire quality higher education, and the way to successful career. “ Prague - the capital of the Czech Republic has been famous for centuries as one of the most beautiful cities in the world and has been referred to as “golden“, “the city of a hundred spires“, “the crown of the world“. Nowadays, Prague is an important European city that attracts visitors not only by the abundance of architectural gems, but it is also a place where cultural, social and political events of international importance are held as well as a popular destination for trade fairs and congresses.

Many participants from all over the world will attend the Summer School “New communication of culture – challenge for the tourist market in the Visegrad group – examples from Prague and Cracow” from August 10 to August 27, 2021. They will attend high-class courses on the role for sharing international experiences in building democracy, civil society matters, participation in the regional development of civil society with main focus on regional sustainability and environment, gain a deeper insight into Czech and especially Polish culture and visit Prague and Cracow. More information will provide Erasmus+ coordinator, Ing. Gabriela Antošová, Ph.D. antosova@vso-praha.eu, +420731689351.

We are looking for YOU as an intern that will join our summer school team - the Chair of Sustainable development and the International Office - and will help coordinating and organizing the summer school. You will co-manage the summer school applications and social media accounts, attend all site visits and be the initial point of contact for the participants during three months before and the two weeks during the event. You will have plenty of opportunities to contribute your own ideas and you will get the chance to organize other events and projects of the International Office, too. Knowledge of the Czech and Polish language helps but is not required. This is an unpaid internship, but depending on the requirements of your home university, an Erasmus+ grant is possible.

Please e-mail your application to antosova@vso-praha.eu to the International Office, Ing. Gabriela Antošová, Ph.D., by September 5, 2020 (please send all documents in a single pdf file). She will be glad to answer any questions you may have. Required documents are a résumé, your latest experiences, certificate of English knowledge and a One-page letter of motivation (in English or Czech, Slovak). In accordance with data protection regulations, we will destroy all submitted application documents after the selection process is completed.

We look forward to hearing from you!
